

Featherstone Primary School

Sports Premium 2018-2019

Aspire, Believe, Succeed

Sport Premium Grant

Background

The Government is providing funding to provide new, substantial primary school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head Teachers to spend on improving the quality of sport and PE for all their pupils.

The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Allocation

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11).

Accountability

Schools will be held to account for how they spend the sport funding. Ofsted has strengthened its coverage of sport and PE within the Inspectors' Handbook and supporting guidance so that schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision offered.

Principles

The purpose of this funding is to ensure improvement in the quality of sport and PE provision for all children. (Department for Education, March 2013)

- We will ensure that sport and PE provision addresses the needs of all of pupils, including those who belong to disadvantaged, vulnerable and gifted groups.
- Primary School Sports funding will be allocated following a whole school needs analysis which will identify priority classes, groups and individuals. In order to address any (identified) areas of need, this funding may be used across particular classes, key stages or whole school at any time during the 2 academic years 2013-14 and 2014-15.

Provision

The range of provision the Governors may consider making could include:

- Group work with an experienced sports teacher focussed on overcoming gaps in learning
- Increased pupil participation in sports
- Additional teaching and learning opportunities provided through Professional development courses
- Cover release for professional development
- Quality assured CPD modules/materials
- Specialist Sports teaching
- Qualified Sports coaching / P.E teacher
- Sports competitions

- After School sports clubs
- Holiday sports clubs
- Sports residential
- Competitions

All our work will be aimed at increasing attainment, participation, improving confidence and skills and encouraging a life-long love of sport together with an understanding of the health benefits participation in sports activities offers.

Reporting

It will be the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports for the Governors' Curriculum and Standards Committee on:

- progress made towards improvements, by year group
- an outline of the provision that was made since the last meeting
- an evaluation of the cost-effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support

It will be the responsibility of the Chair-Person of the Curriculum to ensure this information is made known to the Full Governing Board.

The Governors of the school will ensure that there is an annual statement to parents on how the Primary Sport Premium Funding has been used to improve the uptake and outcomes for PE/sports both within and beyond the school day. This task will be carried out within the requirements published by the Department for Education.

Key development priorities for Sport & P.E Objectives (Use of Sport Premium) 2018-2019					Indicator		
					Au	Sp	Sm
What do we want to improve linked to three year plan	How will we go about it?	When will it happen and be completed?	What will success look like/ what is the impact ?	Who will monitor its impact and to whom will this be reported?			
Work with Sports Plus to devise sports activities in school	Devise timetable with Sports Plus in order to target Change4Life at time. Cover of subject release to coincide with teaching PE so that curriculum needs are met.	Autumn	Children in Change4Life groups will feel inspired to take part in sports and understand the relevance of keeping fit. Coaches to ensure that PE is being taught effectively so that each class is able to experience a variety of sports. This will also enable teachers to be further skilled in P.E	HT to monitor impact Sports Premium Governor to monitor use of spend linked to sport premium
