

What have EYFS been up to this week?

This week we made calendars. We coloured in the tree trunks using felt tips and finger-painted leaves in different colours to represent the seasons. The children tried hard to paint carefully and colour in between the lines.

The children also made Christmas cards. Some of us made reindeers using our handprints. We then added a red nose and eyes by finger painting. Some of us made painted snowmen and added eyes, nose, mouth, arms as well as buttons. We then wrote lovely messages to our families. The cards came out super cute!

On Tuesday the children had their Christmas performance. To prepare for this, we decorated our Santa hats with metallic pens. The children worked so hard to remember the songs and we are super proud of them. We hope you enjoyed the performance!

On Thursday we had a Christmas party. We listened to Christmas music, play pass the parcel, musical statues and other fun party games. On Friday the children attended a Christmas disco in the hall. They enjoyed this very much and had some very good dance moves!
