

What have EYFS been up to this week?

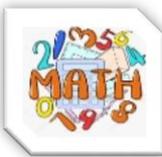

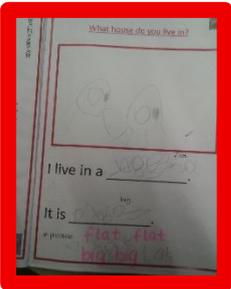

In Phonics this week, we have been practising the er, ear, and air sounds. We are practising all of our tricky words from last half term. We have been focusing hard on writing words using our phonics knowledge. Some of us have been reading wordless books and some of us are reading books with short sentences.

In Maths, we focused on 'Capacity' and 'Weight'. We learnt that if the object we put on the scales goes lower then it is heavy, if it goes higher then it is light. We learnt that capacity is the amount that something can hold. We experimented by filling jugs and cups of different sizes with bears and blocks. We learnt vocabulary such as full, empty, lighter and heavier.

In Literacy, we read the story 'Sharing A Shell'. We had a go at writing a list. First, we identified what we needed to make a list. Then we thought about which materials to use to build a house. Then we wrote the words by sounding out the word, counting the sounds and writing each sound down.

In Topic...

This week, we learnt all about old and new. We learnt about old household items and new household items. We looked at pictures of old and new houses and learnt that toilets used to be outside the house in the garden! The vocabulary that we learnt was 'old' and 'new'.

In Jigsaw we learnt to set a goal and work towards it.

RA's Star of the Week

In Maths this week, Francis has used words 'heavy', 'light', 'full' and 'empty' without prompt during class discussions. He was able to give reasons when sorting out pictures of objects that were full and not full, heavy or light. Well Done!

RB's Star of the Week

My star of the week is Theodore. He has done really well in using his listening ears and concentrating hard during lessons. Well done!

RA's coin total – 67 coins

RB's coin total – 80 coins
