

What have EYFS been up to this week?

In Phonics this week, we have been revisiting all the sounds we have learnt so far. We are practising all of our tricky words from last half term. We have been focusing hard on writing words using our phonics knowledge. Some of us have been reading wordless books and some of us are reading books with short sentences.

In Maths, we focused on composing numbers 6,7 and 8. We learnt that we can show the numbers 6,7 and 8 in different ways on our fingers as well as through objects. Some of us sorted cards representing the numbers in different ways. Some of us counted spots and had to write the number down and some of us did a 6,7,8 cut and stick sorting activity. We learnt vocabulary such as compose.

In Literacy, we read the story 'Sharing A Shell'. We identified the rhyming words throughout the book. We learnt that rhymes are words with the same sounds which is why they sound similar. We had a go at making a rhyming string and finding words that rhymes with shell, cat, pot and rock.

### In Topic...

This week, we learnt all about homes around the world. We learnt that an igloo is made using a snow saw and mud houses are made by mixing straw and mud together and dried in the sun until becomes hard like a brick. We used different materials to make an igloo, mud house and stilt house.

In Jigsaw we learnt how we can use kind words to encourage people.

### RA's Star of the Week

Jaxson has been super fast this week in Maths. He has used his skills of subtraction to identify sets of 6, 7 and 8 and match them to the right numbers. Well Done!

### RB's Star of the Week

My star of the week is Kiyrah for her amazing handwriting during Phonics. Her letter formation has gotten so much better. Well done!

RA's coin total – 91 coins

RB's coin total – 89 coins
