## Year 2 Weekly Newsletter – 27<sup>th</sup> March 2026

### What have Year 2 been up to this week?

This week in English, we wrote our instructions to Mr Grinling about how to build a winding system. We had to use time words, imperative verbs and make sure our instructions were detailed and clear. We hope Mr Grinling can have his lunch now!

In Maths, we finished out learning on length. We consolidated our learning by solving word problems. We had to work hard to spot what the question was asking us to do, and then show our working. We did addition, subtraction, multiplication and division questions!

### In Topic...

This week, in history we compared the lives of rich and poor Tudor children. We couldn't believe that poor children had to work from the age of 6! We were very shocked by how different their lives were from housing, to food, to toys. Did you know some poor Tudor families lived in small 1 room houses with no windows and their animals would sleep in there too?

This week we celebrated Easter with the Easter Bonnet Parade but also Eid with our Year 2 assembly. Thank you to those who joined us, the children were amazing and made us very proud!

This week in PSHE, we learned about medicine safety.

### 2A's Star of the Week

2A's star of the week is Nahlia! She is a super role model all the time. She has tried her best all week. We are so proud, well done!

### 2B's Star of the Week

2B's star of the week is Lilly! She has truly shone! Her hard work, positive attitude, and willingness to help others has made a real difference in the classroom. Well done on being a shining example for everyone!

2A's coin total 42 coins

2B's coin total 43 coins
