Year 2 Weekly Newsletter – 21st November

What have Year 2 been up to this week?

This week in English, we were authors, editors and publishers! We finished writing our leaflets all about our own Art Gallery or Museum. We then took our time to proofread, check and edit our work. We had to make sure it was our best piece yet! We checked our capital letters and full stops and made sure we had our Year 2 words spelt right. We then had fun publishing our work like a real leaflet with pictures too!

This week in Maths, we've been finishing up our addition and subtraction topic in maths. We had a go at some mixed calculations; we had to look carefully to see whether it was + or -. We then used our skills to answer word problems.

In Topic...

This week has been a very busy one! We worked as a team to build our bridges in DT. We had to use our design to make sure we were building a bridge that was fit for purpose. We then tested our bridges were strong enough for a toy train and were weatherproof! Miss Parker and Mrs Islam created earthquakes, wind storms and even rain to test our structures! It was great fun. We then evaluated our product and thought of any improvements. We also continued our history learning, building a timeline of events in Robert Cateby's life leading up to the Gunpowder Plot.

In PE this week, we learnt how to move in different directions and at different speeds. It was great fun!

This week in our PSHE lesson, we looked at why bullying happens and discussed how sometime people are unkind due to differences.
