

## Year 2 Weekly Newsletter – 19<sup>th</sup> December

What have Year 2 been up to this week?

This week in English, we were editors! We edited our diary entries. We had to make sure we wrote in first person, and in past tense, used lots of different time words and make it sound exciting. We also debated the actions of Claud- he dressed up as a doctor and pretended to be one! He wasn't very honest, we debated whether his actions were good or not and what the consequences would have been.

This week in Maths, we have been finishing our topic on multiplication and division. We learnt how to use arrays to multiply and divide! We found this a bit tricky at first, but we persevered and now can do this well and independently! We are very proud of ourselves.

### In Topic...

This week we have been looking at digital artefacts in Computing. First, we explored a new type of software, figuring out how to use different elements. Then we used this to create our own digital skyline, like we did with charcoal in art! It was different to using charcoal and we had to show a lot of patience- it was a lot less messy though!

In PE, we summarised all our learning this half term by taking part in a series of competitions. We had hurdle and long jump competitions as well as sprinting races! We focused on using space safely when doing this.

We enjoyed some festive celebrations towards the end of the week. We had a mini disco and busted out some great moves! We also enjoyed some party games!

The children have worked so hard this term and we are all very proud of how they have settled in and the progress they have made. We hope you all enjoy a well deserved rest, and we will see you on 6<sup>th</sup> January 026 for another fun filled term!

### 2A's Star of the Week

2A's star of the week is Isla Jane! She has worked really hard this week and has blown us away with her work.  
Well done Isla!

### 2B's Star of the Week

2B's star of the week is Sophie! Well done for being our Star of the Week! You consistently show a positive attitude, try your best in everything you do, and are a fantastic role model to others.

2A's coin total 95 coins  
2B's coin total 92 coins

**Have a fab holiday!**

From Miss Parker and Mrs Islam
