

What have Year 2 been up to this week?

This week in English, the children have been exploring a new text. We followed Katie on her journey through London- she got up to lots! We then looked at the features of a diary and read an example and found all the different features. We sequenced the events of Katie's adventure ready to write our own diary entry next week.

This week in Maths, the children have been continuing our learning on multiplication. We practised our 2s, 5s and 10 times tables. We learnt how to draw arrays to help us work out multiplication questions. We also learnt that multiplication questions can go either way around.

In Topic...

This week we have been looking at geography. We recapped the 4 countries of the UK before learning about their capital cities. We then labelled these on a map. We had to remember a capital letter for proper nouns! We then explored each country in detail, learning about the different landmarks you can visit, famous food in each country as well as looking at their flag and national flower. We were amazed that the national animal of Wales is a dragon! We also continued our history today, looking at the consequences of the Gunpowder plot and what happened after. We debated whether or not it was a good thing it failed.

In PE, we worked on creating a safe space and keeping a safe space. We had to think carefully about our movements and speed.

In PSHE, we looked at difference and how being different is okay. We looked at how people can have likes and dislikes and it doesn't matter who they are.

2A's Star of the Week

2A's star of the week is Nehemiah! He is a super role model all of the time. This week he worked really hard with his writing. Well done, keep it up!

2B's Star of the Week

2B's star of the week is Nova. You've shown great effort and a positive attitude all week. Keep up the wonderful work!

2A's coin total 80 coins
2B's coin total 96 coins
