Year 2 Weekly Newsletter – 27th February 2026

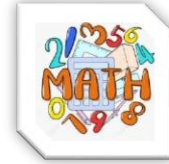

What have Year 2 been up to this week?

This week in English, we have been looking at different types of poetry and the features of a poem. We looked at shape poems, acrostic poems, sense poems and list poems. We looked at the differences in these. We then looked at some rhyming poems and found the matching rhyming words.

This week in Maths, we have continued our work on fractions. We looked at thirds, recognising a third and finding a third of a number. We looked at $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{1}{3}$ and matched the different representations to the correct fraction.

In Topic...

This term our topic is 'I am the solution to Pollution'. We had a whole art day. Firstly we looked at the art style collaging, we explored 2 different artists known for collage. We then had fun on the field creating natural collages in the style of Andy Goldsworthy. After that we used recycled materials to create urban collages- it was great fun! As ready for our trip next week. In science this week we looked at different materials and their properties.

This week in PSHE, we learnt about eating healthy and balanced diets.

2A's Star of the Week

2A's star of the week is Zahir! Zahir has been a fantastic role model all week and worked really hard on his urban collage, using different materials to create texture. Well done!

2B's Star of the Week

2B's star of the week is Mayowa. She has been a wonderful role model in class. She has been well-behaved, kind to others, and always tries her best in everything she does. She listens carefully, works hard, and makes our classroom a happy place to learn.
