

Year 6 Weekly Newsletter – 26th September 2025

What have Year 6 been up to this week?

This week in English, we have been exploring how to make our writing more effective and engaging to our readers. We have looked at balancing action and description in narratives as well as looking at varying our sentence openers and the impact this can have. We then planned and wrote a class narrative based on the Zouwu before planning and writing our own narratives (based on our own creature) which included the techniques we have explored.

This week in maths, we have learnt about prime numbers and how to recognise them. We have also looked at solving calculations with brackets before moving onto BODMAS. We ended the week by learning the method for long multiplication. These can be challenging topics but year six used the value of perseverance brilliantly.

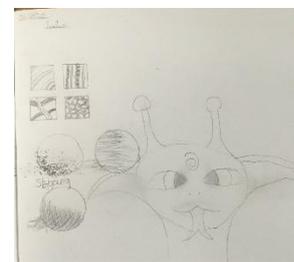

In Topic..

In science this week, we consolidated our knowledge of electricity by planning and writing a narrative which showcased our knowledge of circuits and how electrons work.

In P.E, we learnt how to dribble and pass effectively in hockey.

In art, we explored the use of texture in our work and applied this to our final design of our beast.

6A's Star of the Week

Excel for her persistent contributions across all subjects. I was particularly impressed with her fantastic beast narrative. She always demonstrates the school values exceptionally too.

6B's Star of the Week

Kori has created some tremendous writing over the last few weeks. He has taken a lot of attention and care to his progress.

6A's coin total – 100 coins
6B's coin total – 100 coins

Reminders for next week...

Our P.E lessons will take place **every Tuesday** this half term.

Children have been set reading, SPaG and maths homework on SATs Companion. This is due on **Wednesday 1st October**.

Reading records to be completed by **Wednesday 1st October**.

Year 6 have been set their weekly spellings. They will be tested on **Friday 3rd October**.

This half term's homework project is due on **Wednesday 22nd October**.

Year six are continuing to make us proud!

Best wishes and have wonderful weekend.

From Miss Nicholls and Mr Hunt
