

## Year 6 Weekly Newsletter – 17<sup>th</sup> October 2025

What have Year 6 been up to this week?

This week in English, we planned, wrote and edited our own balanced discussion, incorporating our learning from this half term. We are so proud of their final pieces!

This week in maths, we learnt about equivalent fractions, how to convert, compare and order fractions as well as place fractions on a number line.

### In Topic..

In history this week, we learnt about the views and beliefs of Malcolm X and compared them to those of Martin Luther King. In design and technology, we learnt about the symbols used in the Underground Railroad as well as key individuals who have helped shape textiles in our world today.

Children then practised a range of stitches including back stitch, over stitch and cross stitch. In PE, year six explored making the best decisions in a game situation to score points against their opponents in hockey.

As part of Black History Month, we learnt about Harriet Tubman and the inspiring story of her life and achievements. We have also received some wonderful homework projects based on Martin Luther King!

### 6A's Star of the Week

Scarlett for her brilliant attitude towards learning, her persistent willingness to help all members of the class and for her wonderful project on Martin Luther King! Keep up the amazing work.

### 6B's Star of the Week

Musa understood fractions well this week. He smashed every answer. Really well done Musa, keep it up.

6A's coin total – 103 coins

6B's coin total – 92 coins

### Reminders for next week...
