# EYFS– Halving (Lesson 2)

This week, the children will learn about what halving means. They will also learn to recognise halving numbers between 1-10.
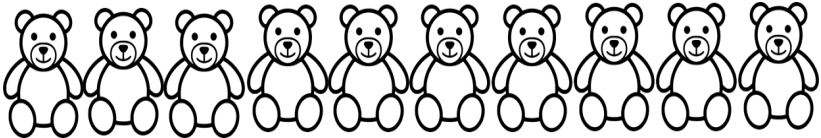

Activity: Halving problems

1) Mr Gravell has 8 T-shirts. Colour half of them in red and the other half in blue. How many are red? How many are blue?

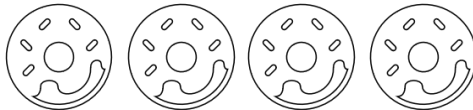

_____ red T-shirts   _____ blue T-shirts

2) Miss Portman has bought some teddies. Can you colour half of them in pink and the other half in green? How many are pink? How many are green?

_____ pink teddies   _____ green teddies

3) Mrs Motion and Mrs Maclaren buy a box of donuts. Can you colour half of the donuts in brown and the other half in purple. How many are brown? How many are purple?

_____ brown donuts   _____ purple donuts

Extension-

Miss Williamson has 12 cars. She gives half of the cars to Mrs Felletti. How many cars do they each get?
