Year 1 —Multiplication

Lesson 7—doubling numbers.

Task 1. Use one of the strategies you've learnt to find the double.

1 Double 3

Double 3 equals 6

2 Double 8

Double 8 equals 16

3 Double 5

5	5

Double 5 equals 10

Task 2—solve the problems.

Martin has 4 apples. Lucy has double this amount. How many apples does Lucy have?

4	4

Lucy has 8 apples.
