Rewrite the passage below using the correct contraction for the underlined words below.

It's my party!

HAPPY BIRTHDAY!

We are having a birthday party just for me today! It is June 29th and I will be 7 years old. I invited many friends. They are all coming, but not Alex. He is on a trip with his family and cannot come. I do not know what kind of cake Mum got me. She is keeping it a surprise and that is okay because I like surprises. Dad and Mum told me not to peek at my birthday gift and I have not, even when I really wanted to.
