Task 1 – Unpicking the plot of 'The Bad-tempered ladybird'.

Opening	Introduce the Main Character and the situation.	The Bad-Tempered Ladybird flies in from the right and spots the aphids on a leaf.
Build	Character flaw is revealed	
Problem	The flaw leads the Main Character into trouble	
Resolution	Main Character learns a lesson and changes their ways.	
Ending	All is well for the future because of the change	

Task 2 - Plan your own Character flaw story using the Character Flaw plot points. You can use 'The Bad-tempered Ladybird' to help you structure your story or you can write a completely new and different Character flaw story using the Character Flaw plot points to guide you.

Opening	Introduce the Main Character and the situation.	The Bad-Tempered Ladybird flies in from the right and spots the aphids on a leaf.
Build	Character flaw is revealed	
Problem	The flaw leads the Main Character into trouble	
Resolution	Main Character learns a lesson and changes their ways.	
Ending	All is well for the future because of the change
