

Using the example and golden rules, can you punctuate these sentences correctly.

Can you write your own sentences when one person speaks and someone answers?

### **Characters**

*(Who could be in your story?)*

### **Setting**

*(Where will your story be set?)*

### **Mission / Quest**

*(What quest is your main character given?)*

### **Problem**

*(What problem(s) will your main character encounter?)*

### **Overcome Problem**

*(How will your main character overcome the problem?)*

### **Ending**

*(What happens at the end?)*
