## Wednesday -Grammar

### Which pronoun? - Answers

Replace the underlined words with a suitable pronoun

The next morning, Hiccup checked the dragon under the bed which was his. It was still asleep.

When Hiccup's mother, Valhallarama, asked him at breakfast, 'How did Initiation go yesterday, dear?', he said, 'Oh, it was fine. I caught my dragon.'

'That's nice, dear', she replied vaguely.

Stoick the Vast looked up briefly from his bowl which was his and boomed, 'EXCELLENT, EXCELLENT,' before getting back to the important task of shovelling food into his mouth.

After breakfast, Hiccup went to sit on the front step beside his grandfather, who was smoking a pipe. It was a beautiful, cold clear winter's morning, with not a breath of wind and the sea all around as flat as glass.

Old Wrinkly blew out smoke rings contentedly as he watched the sun coming up. Hiccup shivered and chucked stones into the bracken. Neither of them spoke for a long time.

At last Hiccup said, 'I got that dragon.'

'I said you would, didn't I?' replied Old Wrinkly, very pleased with himself.
