Weekly Newsletter

22nd November 2020

Dear Parents / Carers,

Laptops: We are in the process of setting up laptops as part of our long-term plan of home and school learning. This is taking a little longer than expected as a great deal of organising needs to go in this. When we have finalised the details of how these laptops can be loaned from the school, we will be in contact.

Data Sim Cards: We know that not everyone has broadband access at home. If families are in need of a data SIM card, please speak to either me or Mr Douglas so that we can make arrangements for a Vodaphone data sim card for you, which lasts 90 days. There is no cost to the families needing a SIM card but it is a case for those that genuinely need it.

Toast: We are pleased to say that, from Monday 30th November, school will be providing a slice of toast for every child in school. The children will have their toast in-time for their morning playtime. This will be a good boost of energy for them until their lunch later on. There is no cost to parents for the toast as school will pay. Children are still allowed to bring in another snack from home should they wish, i.e. a piece of fruit, a vegetable.

Milk for Reception children: Our aim is to ensure that children in EYFS have the best start to life as possible. As part of this, we pay for every child to have milk carton in school. Mr. Gravell has all your returned slips and now we will start ordering the milk for your children. There is no cost to the parents for this.
