We are now at the end this half term. Thank you to all the parents that attended the parents' evening to discuss their children's progress. Your views on the Ofsted Parent View are as follows:

- ◆ 100% of parents say that their child is happy in school.
- ◆ 98% of parents say that their child feels safe at this school.
- ◆ 85% of parents say that their child has **not** been bullied and the school deals with bullying quickly and effectively. Only a small 4% disagree.
- ◆ 90% of parents say that the school makes them aware of what their child is learning (this is as a result of the weekly parent updates that we send home). 6% say that they don't know, (this may be as a result of parents not updating school with their email address).
- ◆ 96% of parents say that their child does well at this school.
- ◆ And finally to summarise: 99% of parents would recommend Featherstone Primary School to another parent.

Thank you parents for your views as the overall results show the great support that we have from you.

Finally, we end the week with some great snap shots of the curriculum that we have to offer for the children. Again, these are opportunities that we have created to give them a world class education.

Have wonderful half term and now over to you!
