## Weekly School Newsletter

11<sup>th</sup> June 2021

Dear Parents and Carers,

It was nice to welcome back all the children on Monday. I cannot believe that this is the final half term of the academic year – and what a year it's been! I am so proud to say that throughout this year, the children have been so resilient and shown all of their Values to work and succeed.

### Values

Speaking of Values, the Value of the month is *Courtesy*. This Value is all about showing politeness in everyday speech and actions. It's on that note that I'd like to remind parents that we must all work together to ensure that children use their Values when outside of school too. Please can you remind your children that, when walking up and down Glenville Drive, they must not be walking over the residents' gardens/property. Also, residents have noticed an increased amount of litter. The children are in school uniform, representing the school. Please encourage and support them to use all their Values inside and outside of school. Thank you.

### Cars

Glenville Drive is a no drive zone during drop off and collection times. Parents, if we have not closed the road, which we can't always do, please do not drive up Glenville Drive. This is a health and safety matter. Thank you.

### Art Project

We are working with an artist-in-residence next week for two weeks! We have a very exciting 'time tunnel' project taking place in school so watch this space for more developments...

### Dinner Money

Please remember to pay your dinner money on time. The termly cost is £80.85 for Monday – Friday, or £14.70 for Thursdays only (pizza).

### Year 2 Parents

If you have not done so already, can all Year 2 parents follow [this link](#) and fill out the short form about school dinners in Year 3. Thank you.

Have a lovely weekend,

Mr. E. Gaibee

**Headteacher**
