National Outstanding Award 2014

Weekly Newsletter 17th Sept 2018 (Value of the month: Respect)

Dear Parents / Carers,

For our new parents who are not aware, we work in partnership with many organisations that have close links with school so our children continue to receive the best possible education and support. Here is a list of organisations that come into school to work with children:

Roots to Fruits: A horticultural activity centre that provide outdoor learning experiences for children aimed at building confidence, developing life skills, improving self esteem and communication sills. Pupils travel in the school minibus to the centre where they plan, carry out and complete creative garden projects, as well as growing plants and vegetables from seed to harvest. This is very popular with the children.

Place2Be: A mental health and emotional well being company who operate on school site to help with friendship issues and any other worries. Pupils can access this by choosing to visit Place2Talk which are short lunchtime sessions and are open to individuals and groups. Mr. Brady and his team do a brilliant job and are always around to offer the children all the support they need.

In addition, we are also offer the following:

Speech and Language: We are exceptionally fortunate that we have the amazing support of Miss. Williamson who supports children in Early Years with speech and language so children's communication and language skills are well developed and supported early.

Reading/ Maths support: We also have the support of Mrs. Bruce and Miss. Wheeler who work with groups of children and again target reading and maths on a one-to-one and small group basis.

Play Co-ordinators: At lunch times we have a team of Play Co-ordinators who are specifically employed to plan and organise playground games so that children are participating in fun activities. This is vital and helps children to learn how to co-operate; it also ensures that any issues are quickly resolved.

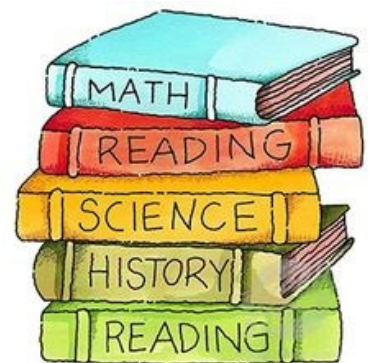

Community Fusion: We have Mr. Leroy Richards who mentors and supports children in school.

I hope that this gives you a flavour of the extra help children receive in addition to the hard work that our staff put in to support children's learning.

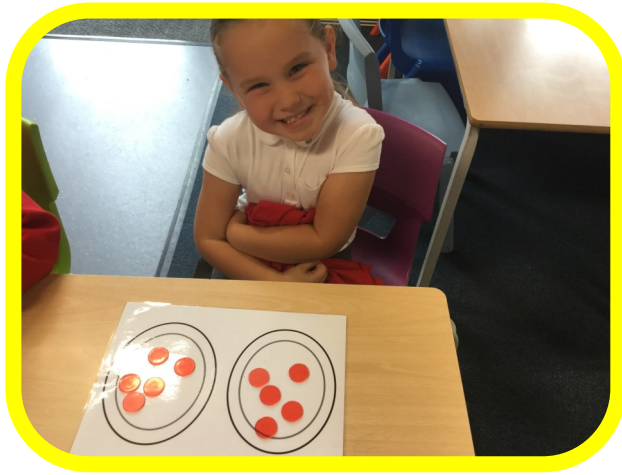

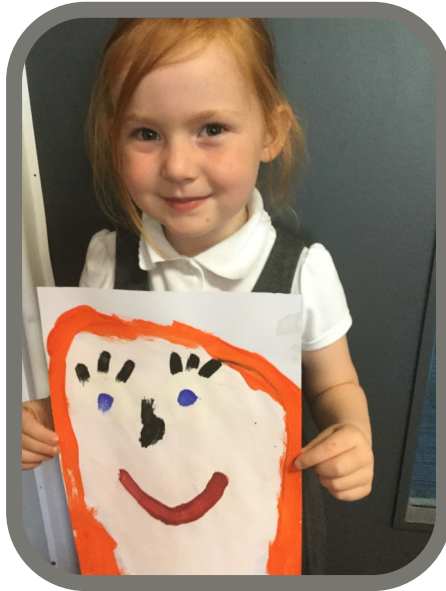

Curriculum Meeting.

Next week, on the 26th September, Mr. Douglas and Mrs. Harrington-Taylor will be presenting to parents the school curriculum and how this has been developed so that children are enriched and challenged.

During this meeting, Mrs. Harrington-Taylor will also explain how we aim to teach children about equality and diversity in school. These meetings are an important opportunity for you to have a greater understanding of what children are being taught in school but also as a school how we plan for the things that are important to them i.e. enrichment, clubs etc. Parents who wish to attend please can you respond to indicate your preferred time so that this can be taken into consideration.
