This Month's value is 'TRUST' - Please can you reinforce this value at home so that we have your support.

This week Year 5 visited Leicester Space Centre linked to their class topic on space. The children had a great time and thank you to the volunteers and Mr Hyatt (Governor) who went with them.

Year 4 have been following up on their learning on the digestive system— as you can see from the photographs below they have been filling a leg of a pair of tights with biscuits and water mixture as part of their interesting experiment. A right messy job but they certainly enjoyed it!!!

Yesterday, Parents Evening was a success, where you all had the opportunity to catch up with class teachers on the progress that your children are making. I also want to thank all the parents for completing the Ofsted Parent view questionnaire. Your positive views give us all a real confidence boost knowing that we have your full support. The responses have been fantastic and its great to have such a supportive group of families in this community.

Finally, two of our families have asked if we can also have the newsletter dates in Somali and Chinese. Your wishes have been fulfilled!

Have a fantastic weekend everyone!
