Governing Board approval date: 03.10.23

Monitoring, evaluation and review: Annually

Introduction

This policy provides a framework and guidance for staff and parents to encourage pupils to attend school regularly so that they can take full advantage of the educational opportunities available. The legal underpinning of this policy is based on the following <http://www.legislation.gov.uk/ukxi/2006/1751/regulation/5/made>

Relationship to other policies, guidance and information

The policy on attendance should be read in conjunction with the policies on Admissions (website) and the Attendance Policy.

The register of pupils is the responsibility of the governors, and is wholly delegated to the school, through the Head Teacher, teaching staff and relevant support staff associated with registration of pupils.

All teachers are expected to

- Register pupils accurately and efficiently
- Report pupil attendance and lateness daily
- Encourage pupils to attend school regularly and inform colleagues if there is a problem that may lead to absences

The Attendance Lead will ensure that

- Pupil attendance and lateness are monitored regularly
- Where pupils are absent for long periods because of ill-health they will, where the reasons are understood, receive support from school to manage them back (wherever possible to full-time education)
- Attendance targets are set for individual pupils who are persistent in absence
- Parents or carers are contacted when reasons for absence are unknown or unauthorised.
- School attendance statistics are reported to the Local Authority through Census and Governing Board through the Head Teacher's Report

Arrangements for monitoring and evaluation

- The Head Teacher will, on a weekly basis, provide class data on pupil's attendance to parents through a weekly newsletter
- The data will be analysed and evaluated and reported to Governors termly through the Head Teacher's Report
